

# Matthews

## 2020 Sauvignon Blanc

The 2020 Matthews Sauvignon Blanc was crafted using Sauvignon Blanc from select vineyards in Washington State, specifically the Horse Heaven Hills of the Columbia Valley.

Farmed using sustainable practices, the fruit was machine-harvested in the early fall mornings of 2020. Upon arriving at the winery, the grapes were pressed and the juice was delivered into tank. It was then fermented and aged in 100% stainless steel tanks before being bottled and released. Only 1,976 cases were produced.

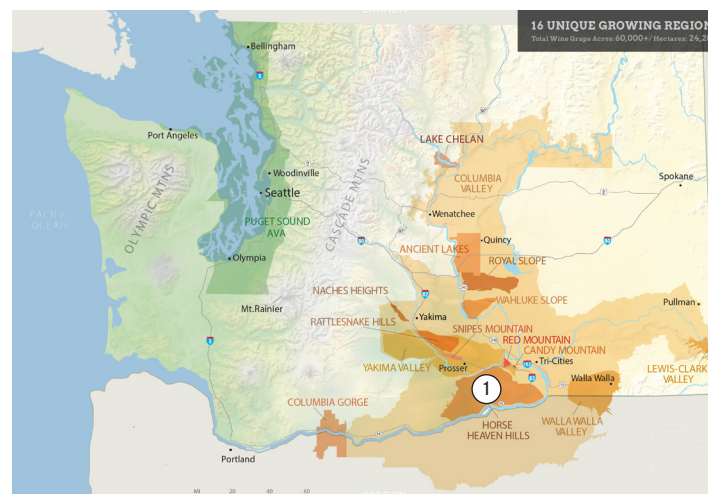

*“Aromas of sliced pear, green apple and lime leaf. Medium-bodied and rather soft and pretty on the palate. Smooth mouth-feel. Refreshing and bright. Drink now.”*

- 90 points, James Suckling, [jamesuckling.com](http://jamesuckling.com)
