2021 EVERGREEN VINEYARD SAUVIGNON BLANC

ANCIENT LAKES

100% Sauvignon Blanc. Crafted from the Evergreen Vineyard in the Ancient Lakes AVA. Evergreen is a sustainably farmed high-elevation vineyard with varied soil types, which contribute complexity to the wine. It was harvested early in the mornings of September 9th and September 16th. Upon arrival at the winery, the Sauvignon Blanc was pressed, fermented and aged entirely in stainless steel to focus on the purity of fruit. After seven months of aging, this wine was bottled on March 28th, 2021. 3,400 cases were produced.

"The outstanding 2021 Jaine 'Evergreen Vineyard' Sauvignon Blanc offers salted gooseberry and orange blossom flavors alongside unripe cantaloupe and stony minerals on the palate. Round and generous on the mouth, with good tension, this is very hard to put down. Delicious now, this is seriously good stuff to enjoy over the next five plus years. Drink 2022-2027-"
